GADGETS

2025

## 2025 - GADGETS

**Welcome to the year 2025 -  
and to a new world full of inspiring ideas and unique products!**

*Since 1972, TROIKA has stood for small, innovative solutions that make everyday life easier and bring joy. Our gadgets are not only practical, but also create unforgettable moments - products that people like to remember.*

*This year, we can be particularly proud: one of our products was honoured with the prestigious GERMAN DESIGN AWARD 2025. The 'Nail Guard' keyring, which can be found on page 7, is an impressive example of our attention to detail.*

*Whether it's clever everyday helpers, smart office accessories, functional gift ideas or innovative travel companions - we have products that make life easier, more beautiful and more stylish. With sustainable materials, well thought-out concepts and modern design, we are shaping the future and setting new standards.*

*Let us inspire you, discover your new favourite gadgets and make 2025 a successful year with us!*

*We thank you for your trust and hope you enjoy browsing.*

# GOOD-LOOKING, VERSATILE, RELIABLE!

Some keyrings are like life partners... but you won't want to part with PATENT! The solid metal body allows you to insert or remove any number of keys with a single click. So you have exactly the keys you need to hand. By the way: thanks to the PATENT principle, fingernails stay intact.

# SUSTAINABILITY - WE STICK TO IT!

TROIKA®

We look back with pride at our EcoVadis Silver Medal from 2023 - a testament to our commitment to sustainability. But we won't rest on our laurels! We are currently undergoing the evaluation process for 2025 to measure our progress and continue integrating sustainable practices. Our goal remains clear: to consistently strengthen environmental compatibility and social responsibility as integral components of our corporate philosophy.

ecovadis  
WWW.ECOVADIS.COM

## WHAT IS AN ECOVADIS MEDAL?

An EcoVadis medal is an award given to companies for their advanced achievements in the field of sustainability.

EcoVadis is a renowned independent evaluation platform that assesses companies based on their environmental practices, ethical business conduct, labor practices, and sustainable supply chains.

## OUR COMMITMENT TO SUSTAINABILITY

At TROIKA, we firmly believe that businesses have a responsibility toward the environment and society. That's why we focus on developing and implementing sustainable solutions to make a positive impact.

## WHAT DOES THIS MEAN FOR OUR CUSTOMERS?

For our customers, the EcoVadis medal means partnering with a company that actively strives for a more sustainable future.

We are dedicated to providing innovative and eco-friendly solutions that help make the world a better place.

# BLUE CYCLE

## MORE OCEAN LESS PLASTIC

Our new 'Blue Cycle' product series made from Ocean Plastic perfectly combines sustainability and innovation. Each piece in the collection is made from recycled materials obtained from marine waste - turning pollution into something useful and helping to protect our planet at the same time. Products in the Blue Cycle-series are marked with a „Nature Office“-icon.

## **DELIVERIES**

Unless otherwise agreed, our deliveries are made by UPS Standard or DHL Standard and are invoiced according to their price lists. Subsequent deliveries are made without additional freight costs.

Please note our General Terms and Conditions. We would be pleased to send you a copy on request.  
A price list for our additional services (engraving, print) is also available.  
All product and brand names are trademarks of their respective companies.

All product specifications are correct at the time of print. TROIKA reserves the right to make any changes necessary. Colour images may vary from the product due to printing quality. Errors and omissions excepted.

## **CONDITION OF THE GOODS**

Differences in the appearance of products and goods, e.g. grain of leather, color deviations of +/- 10%. Register differences of up to 0.1 mm for prints, insignificant deviations in colors and contours depending on the type of material and coating, as well as slight deviations of up to 0.1 mm for engravings and prints from one produced piece to the next (of an order) are considered to be in accordance with the contract.
